

THE FAR HORIZONS

Journeys Discovering Africa

TRAVELLER TOURS

A unique opportunity to experience the Mountain Gorillas of Uganda and Rwanda, visiting them in Bwindi Forest and the Virunga Volcanoes

GORILLA ADVENTURE

DAY 1: KIGALI

We will meet you at Entebbe International Airport and take you to your nearby guesthouse for a welcome drink and a briefing

A Kigali Guesthouse

Meal Plan: Dinner

DAY 2: KIGALI – BWINDI NATIONAL PARK

We drive north for 7 hours across the border with Uganda, and into the Kigezi Highlands. The Bwindi Park is nestled in the heart of the mountains, and we will begin to catch glimpses of the forest as we end our day.

Mahogany Springs or Nkuringo Gorilla Camp

Meal Plan: Full Board

DAY 3: BWINDI NATIONAL PARK

Our first Gorilla tracking excursion. The Mountain Gorillas are part of a worldwide population of just 720 individuals, and the families we track on the first day belong to one of several habituated family groups.

The gorillas are by no means tame, and are wild animals, and experienced guides will accompany us on our tracking, many of

whom have been involved in the habituation process themselves.

Mahogany Springs or Nkuringo Gorilla Camp

Meal Plan: Full Board

DAY 4: BWINDI – VOLCANOES NATIONAL PARK

We drive back across the border to Rwanda and the Volcanoes National Park. Located on a range of lofty dormant volcanoes stretching east to west, this park harbors the other half of the Mountain Gorilla population

Mountain Gorilla View Lodge

Meal Plan: Full Board

Kigali Guest House

Meal Plan: Full Board

DAY 5: VOLCANOES NATIONAL PARK – KIGALI

We enjoy our second Gorilla track. The tracking here takes places

at higher altitude than in Bwindi, but the inclines are less steep. This day will offer insights into the physical differences between the two gorilla populations, and will expose you to the wonders of two quite different habitats that Gorillas have managed to survive in.

After our tracking excursion, we have lunch near the park, and then drive three hours back to Kigali, where we check into our hotel for the evening.

DAY 6: KIGALI – DEPARTURE

Today we will enjoy a tour of the city, and for those who wish to, a visit to the genocide memorial. We then transfer to the airport to check in for our international flight out.

Meal Plan: Breakfast, Lunch

A general level of basic fitness is normally recommended for Gorilla and Chimpanzee tracking. However, if you have any disabilities or believe your fitness levels may be an issue, please do not despair. The Far Horizons has a history of helping clients who are differently-abled or who have certain conditions that would normally prevent participation. Please let us know your requirements when you enquire and we will do our best to help.
